❖ **How it is beneficial to study in a branded institute?**

The Rasoni Group of Institutions is a well known brand throughout the country in the field of education. The G.H. Rasoni Polytechnic Amravati is one of the reputed institutes in this group providing a quality education in Engineering & Management.

As it is a well known brand students passing out from this institute will be recognized by the corporate world. The brand name will enhance the level of the student when he/she will face for the recruitment process.

❖ **How it is more important to select the best institute to become a talented Engineer?**

The institute can convert a raw person into a talented & mature engineer, if it mainly concentrates on Quality of Education, Enhancement of Skills & Placement. So the next 3 to 4 years in college drastically impact the quality of your adult life, so right selection of college is necessary for you for your bright future.

❖ **Which qualities do the industries expect from the engineers?**

Now days it's a tough competition among the students of engineering to grab a good opportunity in the industry. Because every year a large number of students are passing out but the percentage of students recruitment is very low.

It has been found that industries need some knowledge's, skills and personalities.

There are certain qualities that industries expect from the engineers include good communication skill, complex problem solving skill, innovative & critical thinking,

learning strategies, time management, leadership, decision making etc

❖ **How your institute is helping students to build up these qualities?**

The Rasoni institute imparts these qualities along with the academics for the overall growth of the students. With this the institute is making the students eligible as per the expectations of the industries. To impart these qualities the institute regularly arranges various training programmes & workshops.

The RAHE (Rasoni Academy for Human Excellence) academy from Nagpur visits regularly to the institute & arranges various training programmes for the students & faculty members.

❖ **What is Rasoni Academic Monitoring Scheme (RAMS)**

RAMS helps students to add value to their education. By getting the RAMS student ID it helps students to check for the related subject notes regularly updated by staff members and also get their attendance status online.

For this student have to get their RAMS ID from their respective RAMS coordinator .

❖ **Is it a distance learning course?**

No, this is regular on campus course catered through rigorous classroom theory teaching and laboratory based practical sessions.

❖ **Ragging?**

We have discipline and anti ragging committee to curb ragging. Strict actions are taken under provisions made in AICTE Regulation notified vide F.No.37-3/Legal/AICTE/2009 Dated July 1,2009 for prevention & Prohibition of Ragging in Technical Institutions.

It is mandatory to get affidavit about ragging from student as well as parents.
